Summary

As a System Specialist on UOL's cloud solutions team, I focus on optimizing the Microsoft Power Platform and Microsoft 365 ecosystems, including Teams, SharePoint Online, Azure, and Entra ID. With strong expertise in cloud infrastructure, my main goals are to enhance system security, ensure compliance, and continuously adopt new technologies.

Leading UOL's Power Platform Center of Excellence, I successfully manage various migrations and implementations, streamlining operations through automated workflows and advanced Power Automate techniques. My work is driven by a commitment to innovation and a constant pursuit of excellence in cloud services, always striving to deliver superior and efficient solutions.
